PERSONAL PROTECTION

INTERCHANGEABLE FACE GUARD SANITIZER UNITS WITH SANITIZER FLUID AND SANITIZER STATION SIGNAGE

Screen guards suitable to most industries where shop screens and distancing are not possible.

Our faceguards are comfortable, practical and cost effective.

The front screen can be replaced whenever is needed.

The existing screen can also be cleaned by all approved detergents and sanitizers.

Can be purchased individually or in bulk.

- **Manufactured from light PVC**
- **Adjustable Tension Strap**
- **Set Distancing to reduce Fogging Up**
- **Interchangeable 0.5mm Poly Front Guards**
- **Foam Forehead Strip**
